and incentives but with luxurious experiences beyond imagination.

For the very first time, these achievers experienced the dream of flying in an airplane, traveling in a Mercedes from the airport, and staying at the five star Hyatt Centric Hotel in Delhi, all thanks to their hard work and determination. And above all, having dinner with Galway's Directors turned out to be a lifetime moment every achiever cherished, living their dream in real life.

Among these achievers, some once worked as hotel housekeeping staff and today entered the five star hotel as honored guests. Some saw a plane or stepped into a luxury hotel for the very first time. Some were underestimated just because they were women, while others were bound by social limitations. But Galway gave them the courage to live freely and provided them with a

powerful business opportunity.

This is a testimony to the caliber of Galway business and the potential of Galwians, which sets them apart from the crowd. Whether it's Anita Lakra and Pratima from Jharkhand, Samiya Kant Sahu from Odisha, Munna Kumar and Sonu from Bihar, or Anuj, Dheeraj, Manju, Shivam, Durgesh, and Chandrabali from Uttar Pradesh each story, in its own powerful way, says the same thing. This is not just an achievement. It's a living proof that when intentions are strong and the platform is as empowering as Galway, it can transform the life of any direct seller.

So, in this special issue of Galway Newsletter, we bring you inspiring stories of those achievers who turned their dreams into reality.

## The Power of Galway Rising from the Soil of Jharkhand Anita Lakra (Star RD) – Jharkhand

Coming from a small village, Anita Lakra has risen with her determination to touch the sky and today stands as an inspiration to millions of women. Breaking free from a modest domestic life, she not only gave shape to her dreams but also challenged deep rooted social stereotypes. Anita says, "I always heard people say, 'You're a girl, what will you be able to do?' But I had made a promise to myself that I would prove being a girl is my strength, not my weakness." Galway gave her a platform where she discovered a new version of herself. By going beyond the set goals and achieving the Promotion Dhamaka Offer, she proved that when intentions are strong and direction is right, no destination is too far. Today, Anita is not only the first woman from her village to fly to Delhi, but also someone who traveled in a luxury Mercedes car and stayed in a five star hotel. When she showed her photographs to the same villagers who once mocked her, they now look at her with respect.

**Secret Behind Turning Dreams into Reality:** I had made up my mind, not just to win the offer, but to achieve it by going beyond the target. The guidance from my upline seniors and constant support from my downline team kept me motivated.

## The Dream Ride in a Mercedes Came True Samiya Kant Sahu – (Star RD)-Odisha

Coming from a humble family in Odisha, Samiya Kant Sahu has now become the state's first Dhamaka Offer Achiever and a Star RD. His journey from a graduate student to a successful leader is not just inspirational, it instills confidence in every youth that when your will is strong, no destination is out of reach. Samiya says, "When I achieved this offer, I got the opportunity to stay in a five-star hotel in Delhi. Not only did I get to meet the company's directors, but having dinner with them was an honor I'll never forget." He recalls the experience vividly, a professional photoshoot, a luxurious stay at the Hyatt Centric Hotel, and most memorable of all, the ride from the airport to the hotel in a Mercedes E Class, it felt like living the life of a movie star.

**Secret Behind Turning Dreams into Reality:** This Promotion Dhamaka Offer gave me the title of 'Star', and that will always remain like a medal attached to my name. The guidance of my upline and the support of my team were the most important elements in this achievement. I had made up my mind that I wouldn't let this opportunity slip, and with continuous efforts, I finally made it.

## A Bouquet of Dreams Nurtured by Galway Determination Budhwa Bodra (Star RD) – Jharkhand

Despite coming from a humble farming family, he turned what once seemed like a distant dream into a living reality through sheer hard work and a positive mindset. Budhwa proudly says, "I am the first person from my family, my village, and even my entire community to fly on an airplane."

This achievement is not just a personal victory but a moment of pride for his entire community. Riding in a Mercedes E-Class, staying in a five star hotel, and being honored in a metro city like Delhi, all this once seemed like a dream to him. But he turned it into reality. When your thinking is big, your goals become bigger too.

**Secret Behind Turning Dreams into Reality:** Whether a target is small or big depends on your mindset. If you believe you can do it, no goal is too far.

He didn't just meet his target, he went far beyond it. And that's precisely why he emerged as a winner of the Promotion Dhamaka Offer and earned the prestigious title of 'Star RD.'

The story of Munna Kumar, from Darbhanga, Bihar, is an inspiration for anyone who dreams big but struggles to take the first step. In the month of March, he not only crossed the basic target but achieved a business of 36,000 PV, securing the prestigious rank of 'Star RD.' He says, "Reaching Delhi and experiencing what felt no less than a celebrity lifestyle, two luxurious days at the five-star Hyatt Centric Hotel, a stylish ride in a Mercedes E-Class, delightful shopping, and most memorable of all, a gala dinner with the company's directors. Moments like these come once in a lifetime."

**Secret Behind Turning Dreams into Reality:** Always keep your eyes on big targets. When you set ambitious goals for yourself, your hard work naturally intensifies.

Galway has proven to be a turning point for Anuj.

**Secret Behind Turning Dreams into Reality:** Listen to everything your upline says with seriousness, and work to ensure success for your downline. When you lift your team, you rise yourself. That's what true leadership is all about.

## Galway Taught Me the Art of Making Dreams Come True Dheeraj Kumar Pal (Star RD) – Etawah, Uttar Pradesh

Dheeraj Pal's journey of struggle and success teaches us that when dreams are big and efforts are honest, the only limits that exist are in the mind.

He explains, "When I told my family I was flying to Delhi, no one believed me. But when I made a video call from the airport and showed them the five star hotel, they were left completely stunned." He further continues, "I'm not very educated, but I've always had a hunger to learn and a deep desire to achieve something. When I received a brand-new black suit from the company and arrived at the hotel in a Mercedes, I couldn't hold back my tears. It wasn't just a tour, it was a dream coming true."

Dear farmer brothers and Galwians, with the effective use of Galway Krisham Products, you can achieve a high yield in ginger farming and increase your earnings. Let's understand how to cultivate ginger using Galway Krisham Products.

### Krisham Products That Support Plant Growth and Their Application Methods:

+ 10 kg G-Sea Power + 200 ml G-Amino + 200 ml G-Bio Humic and spray over the field at the per acre rate.

■ **During Flowering and Rhizome Formation:** At the time of flowering and rhizome formation, ensure proper moisture in the soil before spraying. Also, check that 60–70% flowering and fruiting has taken place. Once that stage is reached, prepare a spray solution using 10 to 15 ml of product in 15 litres of water, and apply it to the field.

**Note:** Perform spraying either in the morning or evening. Avoid spraying in direct sunlight or high temperatures.
